Audit report

**To the annual meeting of Diakonia**

Corporate Identity Number 802017-3517

I have audited the annual accounts, the accounting records and the administration of the Board of Directors and the Secretary General of Diakonia for 2007. These accounts and the administration of the association and the application of the Annual Accounts Act when preparing the annual accounts are the responsibility of the Board of Directors and the Secretary General. My responsibility is to express an opinion on the annual accounts and the administration based on my audit.

I conducted my audit in accordance with generally accepted auditing standards in Sweden. Those standards require that I plan and perform the audit to obtain a high, but not absolute, degree of assurance that the annual accounts are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the accounts. An audit also includes assessing the accounting principles used and their application by the Board of Directors and the Secretary General and significant estimates made by the Board of Directors and the Secretary General when preparing the annual accounts, as well as evaluating the overall presentation of information in the annual accounts. I examined significant decisions, actions taken and circumstances of the association in order to be able to determine whether any Board member or the Secretary General has acted in contravention of the Annual Accounts Act or the association's Statutes. I believe that my audit provides a reasonable basis for my opinion set out below.

The annual accounts have been prepared in accordance with the Annual Accounts Act and give a true and fair view of the association's financial position and results of operations in accordance with generally accepted accounting principles in Sweden. The statutory administration report is consistent with the other parts of the annual accounts.

The Board of Directors and Secretary General have not, in my opinion, acted in contravention of the association's Statutes. I recommend to the annual general meeting that the income statement and balance sheet be adopted and that the members of the Board of Directors and the Secretary General be discharged from liability for the financial year.
